

# Panther Youth Football & Cheer (PYFC)

PYFC believes that all kids should be provided an opportunity to participate in the program, regardless of geographic, demographic and financial status. To accommodate this belief, the organization offers scholarships to qualifying families. A scholarship may range from \$50.00 to full registration cost depending upon need and availability. Recipients are expected to cover at least \$50.00 of the registration fee to cover the hard cost (jersey, uniform, etc.) and a small portion of operational costs. Scholarship requests must be submitted in writing to the board for player registration prior to the 1<sup>st</sup> day of practice. Requests are confidential and are not shared outside of the PYFC Board of Directors. Upon approval, the program will inform the recipient.

## Financial Assistance Request Form

PYFC may provide full or partial scholarships for those players demonstrating financial need. Scholarships are limited and are awarded after a review of application by the PYFC Board. Applicants will be notified promptly following the Board's review. All application information is kept strictly confidential.
